

UMDIA 2011 Championship Results

Four contests organized by UMDIA are used to determine the 2011 Champions, the Fall contest held in November; the Spring contest held in March is the second contest; the June Educational Contest, sponsored by the Minnesota Department of Agriculture, marks the third contest of the cycle. The fourth and last contest of the cycle, the Minnesota State Fair Contest, sponsored by the Minnesota State Agricultural Society, is held in July. To be awarded the title of Champion, an individual must enter all four contests and have the highest average score among all of the competitors who have entered all of the contests.
