UPPER MIDWEST DAIRY INDUSTRY ASSOCIATION

What We Do

Host Educational Events

Each spring and fall UMDIA hosts meetings and learning sessions with industry professionals on topics related to the dairy industry.

Dairy Industry Promotion

Whether it is for the latest research or promoting of dairy, UMDIA contributes towards programs aimed at advancing the dairy industry.

Provide Educational Scholarships

In an effort to recognize individuals pursuing post-secondary education in a field that will enhance the quality and safety of dairy and food products, UMDIA is proud to support the future of the dairy industry by offering scholarships each year.

Industry Contests

Butter and cheesemakers from across the country participate in our annual butter and cheese contest at the Minnesota State Fair. An auction is also held in conjunction with the contest.

Who We Are

The Upper Midwest Dairy Industry Association is a non-profit, volunteer, professional membership organization. Our mission is to connect dairy industry professionals through educational programming and contests that encourage improvement in the quality and safety of dairy products.
