

Dear Valued Partner,

The Upper Midwest Dairy Industry Association (UMDIA) is excited to once again host our Fall Conference and Annual Meeting on September 15th – 17th, 2026 at the Kelly Inn, in St. Cloud, MN.

UMDIA is a non-profit professional membership organization with a mission of connecting dairy industry professionals through educational programming and contests that encourage the improvement in the quality and safety of dairy products.

During our conference we will feature an array of guest speakers that will focus on topics related to food safety, animal care, sustainability, and other important dairy industry topics. Our conference typically draws in 75-100 dairy industry professionals who are eager to learn.

We would like to ask for your consideration to be a meal sponsor at our Fall Conference for \$750.

With your sponsorship you will receive the following:

- Advertisement on the conference agenda, website and social media platforms
- Advertisement on the slideshow shared with all participants during the meeting

We look forward to hearing from you at your earliest convenience.

Respectfully,

Upper Midwest Dairy Industry Association
Board of Directors
